Most Respected Sir,

MEMORIALIST.

Address.

M.Krishnadeva Naik,
Manjrabad Polayagar,
146, 2nd Road, Visveswarapuram,
Bangalore City.

To

Sir Sree Krishnarajendra Wodayar Bahadur, K.C.S.I.,
G.C.S.I.,
His Highness the Maharaja of Mysore,
MYSORE.

MAY IT PLEASE YOUR HIGHNESS,

The Memorial of Igoor Manjarabad Krishnadeva Nail
of the Province of Mysore.

Most humbly and respectfully showeth:-

That Your Highness' Memorialist, is the grand-son of H.H.Krishnappa Naik,(the last Ruling Prince of Igoor Manjarabad of the Province of Mysore). That H.H.Krishnapp Naik ruled over the territory of Igoor Manjarabad, which yielding a revenue of about ten lakhs of rupees, in the Province of Mysore. He lost his political power and importance during the Mahamedan rule, and on the pacification of the country after the fall of Seringapatam, H.H.Krishnappa Naik was granted a political pension for the support of the members of the Royal House.

2. That your memorialist's father the late Venkatadri Naik (the son of the said H.H.Krishnappa Naik) was allowed by the Government of Mysore a monthly political pension of Rs.127-1-10 and he was in the enjoyment of the same till his death. That the said Venkatadri Naik shortly before his death made a Will and duly registered it. (Vide Appendix A.). Venkatadri Naik feeling certain of his death in a short period and desiring that there may be no disputes as to the disposal of his pension after his death between the sons of his rival wives, submitted a petition dated 20th July 1894, (Vide Appendix B.), to the Government of Mysore praying that the --

the pension enjoyed by him may be settled upon his four sons as was mentioned in his said last Will and the terms of the said Will be carried into effect during his life time.

For the 1st son by his 1st wife	..	Rs.30-0-0
For the 2nd son by do.	..	Rs.30-0-0
For the 1st son by his 2nd wife	..	Rs.35-0-0
For the 2nd son by do.	..	Rs.32-1-10
Total	..	Rs.127-1-10.

That your humble memorialist is the eldestson of late Venkatadri Naikby his seniorwife, but his claim to the succession to the stipend was passed over by the Government on the groundthat he belongs to an illegitimate line of descendant of the said Venkatadri Naik. When this order was passed by the Government that most of the important documents were in transmission, unfortunately before the said documents reached the -- Government an order was passed, rejecting the claims of your Highness' memorialist. That the Government Order is illegal and unsound in as much as the Government conclude by misrepresentation and without any reliable evidence that your memorialist is an illegitimate son of the late Venkatadri Naik. The above inference, your memorialist humbly submits, is unwarranted by all the evidence on record in this case.

3. That your humble memorialist presented a review petition to the Government for reconsidering the orders that had been already passed in the matter. Your memorialist was informed by the Government on 31st July 1926 that there are no new grounds for reconsidering the orders that have been already passed. (Vide Endorsement No.Fl.758/59A. dated 31st July 1926. That your humble memorialist represented his pitiable case in all

all its bearings before the Government, trusting that full equitable and just redress will be granted to him in the premises by allowing him his claim, unfortunately the memorialist is informed that -- Government see no reasons for reconsidering the orders that have been already passed in the matter. (Vide Endorsment No.8685/S.&A.303-27 dated 9th May 1928.

4. That your humble memorialist, owing to the chain of the untoward events that have occurred to have reduced him to his present most painful and most pitiable position, represented before the Government on 1st May 1929, praying at least for the grant of a stipend of Rs.18-5-4 for maintenance by the revival in his favour of the pension of one Seshamma and Doddamanja Naik which lapsed to Government on the ground that your memorialist is the grand-son of the deceased Seshamma and Doddamanju Naik, "Sagotra Gnatee" being also a direct lineal deseendant of this family and nearest blood relative of the deceased, according to Hindu Law. That the Huzur Khazana Bakshi and Officer in charge of -- Pollegar pensions was asked to report on the matter and he submitted his report to the Government No.474/ S.H.T. dated 2nd August 1929. The Report shortly states:-

"That it has been the benevolent policy of the Government to continue such lapsed pensions to any member or members of that family. On a very careful study of all the proceedings connected with the case, Mr.Krishnadeva Naik (Memorialist) really deserves a favourable consideration". This Report was expressly on the petition of your Highness'

Highness' memorialist dated 1st May 1929. That Huzur Khanana Bakshi after having recommended his case strongly to the Government for the grant of a stipend of Rs.18-5-4 per mensem to your memorialist the Government have been pleased to inform the memorialist "that there is no justification for reviving these pensions which have ceased to exist. His request is therefore refused". (Vide endorsement No.Fl.1591 dated 29th August 1929).

5. That your Highness' memorialist therefore most humbly begs to prefer this appeal to Your Royal Highness against the unjust orders of the Government that have been passed in differential and professional languages on the following among other grounds:

(A) That your memorialist begs to submit that the said Venkatadri Naik about an year before his death made a Will and duly registered it. (Vide Appendix B) and he has presented a petition to the Government on 20th July 1894 recognising that 1st wife (Puttammanni) of late Venkatadri Naikwas the legitimate daughter of one Narasimhalu Naik and Perandevammanni, lawfully wedded as husband and wife, she was married to late Venkatadri Naik in the year 1860, at Madras and your memorialist is his eldest son. (Vide Appendix B.). But the Government conclude by misrepresentation that your memorialist is an illegitimate son of the late Venkatadri Naik, in spite of his legetimacy being placed beyond question by his natural father, who is a prominent member of this Pollegar family, in his petition dated 20th July 1894.

(B). That your memorialist begs to submit that late Venkatadri Naik has presented a petition to the

the Government on 16th August 1889, five years before his death, at a time when the present dispute was not in contemplation, recognising that 1st wife Puttammanni the daughter of Narasimhalu Naik of Madras, who belonged to the same caste as himself, was married to him in the year 1860, with the usual custom and the Sastric rites and that 1st wife Puttammanni herself is the "Pattada wife" (wife with regal rights). Krishnadeva Naik (memorialist) being the 1st son by his 1st wife and also the eldest of his sons, is his "Jyestaputra" in every respect, subject to Hindu Law and Legal Science(vide Appendix C).

(C). That your memorialist has been married among legitimate deseendants of Kandy Royal Family (Tanjore) and your memorialist's son and daughter have been married among the legitimate and close relations of late Venkatadri Naik. (Vide petition presented by late Venkatadri Naik to the Huzur Khazana Bakshi, Bangalore, on 20th January 1894).

(D) That your memorialist begs leave to produce the "Sreemukham" (Certificate) granted by His Holiness "Sree Brahma Thantra Parakalaswamiyavaru of Mysore" who is the highest authority in all spiritual matters, recognising Puttammanni 1st wife of late Venkatadri Naik, as being his true disciple and as belonged to "Telagu Banajiga caste). (Vide Appendix D).

(E). That your memorialist begs leave to refer Your Highness to a recent decision in the Privy Council, in the Pittapore case (Madras Presidency) where a bequest was made to the "Avrasa" son by means of a Will.

Held:-

Held:- " That the false description of the person as his "Avrasa son" was immaterial and that the bequest to him was valid"

Held:- "The title by Will, will have priority over title by succession".

But the Government of Mysore have failed to exercise a sound discretion in not recognising the status of your humble memorialist in his family and under his father's Will, though the Government admit "that these pensions must always descend in the ordinary course of Inheritance (Hindu Law) and that it would be no more than bare just to extend to Mysore Pollegar pensions, the same Rule of succession as applied to Pallepat lands, in the British Territory." (Vide proceedings of the Government of Mysore dated 29th October 1887).

(F) That your memorialist would invite Your Highness'gracious attention to a despatch by Lord Canning (the First Viceroy of India) No.43 of 1860 at Simla, regarding the allowances of the family of the late Ex-Rajah of Coorg.

For the Rani	.. Rs.600
Six concubines at Rs.50/- each	.. Rs.300
Five do.	.. Rs.250
The legitimate son	Rs.500
Six illegitimate sons at Rs.200 each	.. 1200
The daughter	Rs. 150
Total ..	Rs.3000.

That eminent Statesman LordCanning,has been been pleased to sanction an allowance of Rs.3000 a month for the members of the Coorg family in India in about the proportion noted in the margin.

"That on the lapse of each pension the Government of India should exercise its judgment to continue and confer the same on any relation or dependent of the

the late Rajah" (Vide Appendix E.).

(G) That your memorialist begs to submit that even illegitimate sons of Sudras have always been declared to have an equal share in the estates of their father and that the instances are not wanting where the illegitimate children of Pollegars have been drawing stipends from the Government of Mysore in succession to their natural parents as Chikamanju Naik and Doda Krishnappa Naik both illegitimate sons in the family of said Manjarabad Pollegars have been drawing Rs.34 and Rs.24 respectively, and Devappa Naik and Lingala Naik both illegitimate descendants of Chitaldrug Pollegars have been drawing Rs.48 and Rs.103 respectively, per month. (Vide Government Records in the Office of Huzur Khazana Bakshi, Bangalor and that having no such Rule to the contrary now in existence, your memorialist humbly expresses his surprise at this new departure from the present pension Rules made by the Government.

(H). Your humble memorialist begsto point out an instance where such orders have been <u>reopened and resettled</u> by the Government after a period of 40 years.

(1) One Lingala Naik a descendant of Chitaldrug Pollegars was passed over by Colonel Meade, thetthen Chief Commissioner of Mysore, that he belongs to an illegitimate line of descendant and again after a period of about 40 years, during the administration of Sir K.Seshadri Iyer that the said Lingala Naik was recognised as a Legitimate descendant. (Vide the proceedings of the Government of Mysore No.1309/ 141 of 20-5-1890.), and there are similar cases - among some members in the Hagalavadi and Chitaldrug

Chitaldrug families.

(I). That your memorialist begs to submit that the orders passed by the Government not being a judicial proceeding, this appeal is not barred by limitation or operates no resjudicata.

6. That your memorialist fully trusts that on perusal of all the important Exhibits, Legal authorities, cogent proofs, Material evidence, existing instances, all the principles of Law, equity, recent decision in the Privy Council, all the leading principles and Rules, laid down by the Government of Mysore on the subject, existing instances among many of the Mysore Government continuing to pay pensions to such illegitimate sons and instances where such orders of the Government have been re-opened and resettled by the Government after a period of about 40 years, your Highness will arive at a conclusion that the Government have erred in not -- allowing the claim of your humble memorialist.

7. That your humble memorialist further begs to submit that his sons are studying in the Higher and University classes.

1. M.Venkatadri has been declared to have passed 3rd Year L.M.P.Diploma, in the Medical College, Bangalore.

2. M.Krishnaswamy is studying in the Senior Intermediate, Inter College, Bangalore.

3. M.Nanjunda Raju has secured a pass in the S.S.L.C.Examination held in the year 1928.

4. M.Kamalamma,(daughter) is studying in the VI Form, Vani Vilas Institute, Bangalore.

This

This Pollegar Community is far backward in point of education. They are in very needy, indigent and straitened circumstances, not having any income whatever from any source whatsoever that the sole means of livelihood in case of the family to which he has the honour to belong, has been the Pollegar pension enjoyed by his ancestors. That consequently your memorialist and his family members are really starving - absolutely starving, which compelled him to approach and appeal to Your Royal Highness, they being your Highness' loyal subjects, their advancement mainly depends upon Your Highness support.

8. That your memorialist most humbly and respectfully craves leave to submit that morally, legally and by every rule of law of God and of man your memorialist's claim is undeniable footing.

9. On the foregoing grounds, that your humble memorialist would most humbly and respectfully solicit, that Your Highness will be pleased to direct any allowance of the stipend drawn by his father Venkatadri Naik during his life, to your humble memorialist for maintenance; and your humble memorialist further prays that a suitable stipend may kindly be granted to enable your memorialist to give his sons, a sound and good education and thereby render them competent, either to seek for and obtain some suitable employment or to qualify themselves to adopt some of the liberal professions, under the Mysore Government.

10. That your memorialist is of necessity - bare and absolute necessity compelled to approach and

and appeal to Your Royal Highness, but nevertheless in the full hope and assurance that in appealing to Your Highness (an influential, benignant, generous and illustrious Ruler); the prayer of your memorialist will not be in vain, but that Your Highness will, in all the circumstances as herein represented, do but what is just, meet, proper, equitable and expedient in the premises.

And your memorialist shall as in duty bound ever pray.

Third petition of Venkatadri Naik, dated 20th July 1894, denying and falsifying all the statements made by his second wife Krishnajammanni, in her counter petition to H. E. the Dewan and praying that his pension may be continued to his four sons.

To

HIS EXCELLENCY THE DEWAN OF MYSORE.

The humble petition of VENKATADRI NAIK, Manjarabad Poligar, respectfully states:—

I submitted two petitions to Your Excellency dated 1st July and 17th July 1894, respectively regarding the settlement of my pension viz (Rs. 127—1—10 per month). I hear that my second wife Kristnajammanni became aware of this fact and yielding to the persuasions of evil advisers has put in another petition to your Excellency stating that she and her sons are the only heirs to that pension and that my first wife Puttammanni and her sons are not at all entitled to it.

Consequently I think it necessary that I should clearly state to Your Excellency the following circumstances, a knowledge of which, I think is quite necessary to enable Your Excellency to make an equitable settlement of my case.

Puttammanni, the daughter of Naraswimhala Naik of Madras, who belonged to the same caste as mine, was married to me in 1860. I have two sons by her, Kristnadeva Murthy and Vasudeva Murthy. Sundarajammanni, the daughter of Kumaraswami Raja, of Tiruvalur Daigal Family, a close relative of us has been given in marriage to my eldest son said Kristnadeva Murthy in 1893.

About seven years after the marriage of my first wife (Puttammanni), Kristnajammanni, the daughter of Muddukristnappa Naik of Rayadroog was married to me. I have four children by her, Kristna Murthy, Sreenivasa Murthy, Nanjamanni and Gowrammanni. The Nanjammanni has been given in marriage to Kumaraswamy Naik, Bagalur Poligar and Assistant Commissioner at Tumkur, in 1886.

Till now I have been living with my first and second wifes together namely Puttammanni and Kristnajammanni respectively.

Now that I am suffering from illness, my second wife Kristnajammanni thinking that I shall not recover, has launched a petition to Your Excellency.

Under these circumstances I beg that Your Excellency will be merciful on me and my family and trust Your Excellency will make such a settlement of my pension viz (Rs. 127—1—10 per month) as I have stated in my previous petitions submitted to Your Excellency dated 1st July and 17th July 1894 respectively.

BANGALORE,
DATED 20TH JULY 1894.

To.

The Dewan,

to His Highness the Maharaja of Mysore.

With reference to the government order, I have produced the geneology showing the details of the present heirs in my family, their ages and the dates of my two marriages.

In accordance with antient Custom, my eldest wife puttammanni herself is the "pattada" wife (wife with regal rights). Thinking, it is objectionable to mention the word "pattada" wife in the present civilized time, I, in view of calling her "pattada" wife presented to her at the time of my marriage a gold "Kanti" (Neck-Lace) as a mark of respect, therefore she is called "Bangarada" wife in the geneology.

puttammanni the daughter of Narasimhala Naik of Madras, who belongs to the same Caste as mine, was married to me in the year 1860, with the usual Custom and Saistric rules.

As she used to fall ill frequently, my parents suggested to me to get marry a 2nd wife, as it was necessary. So, with full Consent of my 1st wife puttammanni and her parents, I was married again.

I have two Sons by my 1st wife puttammanni

Krishnadeva murthy And Vasudeva murthy.

In 1866 Krishnajammanni, the daughter of Muddu Krishnappa Naik, Royadroog pollegar was married to me. I have four children by her, Krishna murthy, Srinivasa murthy, Nanjammanni and Gowrammanni.

So, I have four sons and two daughters in my family.

Krishnadeva murthy being the 1st son by my 1st wife Puttammani and also Eldest of my sons, is my "gaisto" putra in every respect, Subject to Hindu Law and Legal Science.

My daughters have no claims to my pension after they are married.

Your favour is Solicited.

Venkatadri Naik,
pollegar of Manjarabad.
